Hill International Welcomes Andrew Syms as Vice President of Sales, Middle East Region

November 20, 2018

PHILADELPHIA, PA and DUBAI, UAE – NOVEMBER 20, 2018 – Hill International, the global leader in managing construction risk, announced that Andrew Syms has been named Vice President of Sales, Middle East Region. He will be responsible for leading Hill's sales and marketing teams in developing and delivering strategic and tactical plans to grow the firm.

With more than 30 years of experience, Syms has achieved global success in the civil engineering and construction industry, specifically in the Middle East. Prior to joining Hill, he served as Regional Sales Director (MENAI) at CH2M and Vice President, Major Bids Group EMEA at AECOM. His expertise includes the transportation, water, energy, industrial, and environmental and nuclear market sectors.

"Andrew will continue to grow Hill's business in the Middle East," said Imad Ghantous, PE, Senior Vice President Business Development, International. "Working closely with our local business development and operations teams, Andrew's unique experience will bolster our client-focused approach, leading Hill to new opportunities, as well as expanding our services into new markets."

Syms, who will be based in Hill's Dubai office, can be contacted at andrewsyms@hillintl.com.

About Hill International

Hill International, with approximately 2,800 professionals in more than 50 offices worldwide, provides program management, project management, construction management, and other consulting services to clients in a variety of market sectors. *Engineering News-Record* magazine recently ranked Hill as the eighth-largest construction management firm in the United States. Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding our intent to file late periodic reports or relisting on a national securities exchange, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, our expenses may be higher than anticipated, and the review of the Company's accounting, accounting policies and internal control over financial reporting, and the preparation of and the audit or review, as applicable, of filings may take longer than currently anticipated or additional restatement adjustments may be identified. We do not intend, and undertake no obligation, to update any forward-looking statement.
