Hill International Selected as Consultant for Luxury Development in Pakistan

July 9, 2020

PHILADELPHIA and ISLAMABAD, Pakistan, July 09, 2020 (GLOBE NEWSWIRE) -- Hill International (NYSE:HIL) (Hill), the global leader in managing construction risk, announced today that it was selected to provide construction consultancy services for Elite Reverie, a multi-million dollar, luxury-living development in Islamabad, Pakistan.

Elite Reverie, also known as Eighteen, is a more than 2 million SM, mixed-use development project that includes residential complexes with over 2,000 units of villas and apartments, a retail and business park, a 20,152 SM, five-star hotel, a mall, medical and sports facilities, education villages, recreational facilities, and 7,200 yards with an eighteen-hole golf course.

The project is located to the southwest of the city. It is well connected to the major road networks in the area and just ten minutes away from the new Islamabad International Airport.

Hill will offer construction consultancy services to help ensure that the project is delivered on-time and within budget. The scope of work will include overall site supervision; schedule and progress control; health, safety, and environment management; quality management; inspection of contractors' works; coordination between all project stakeholders; and project commissioning.

"The Elite Eighteen project is a significant addition to the capital city's real estate development sector," says Hill Senior Vice President for the Asia/Pacific Region Said Mneimne. "We are extremely excited to provide Hill's services for such a flagship project in Pakistan. We share the owner's vision and are committed to working with all stakeholders for a successful project delivery. Moreover, Hill is pleased to expand its footprint in Pakistan through its involvement in Elite Reverie. We hope that this project will positively contribute to the country's real estate sector and demonstrate the value that Hill can add to such projects."

About Hill International

Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, and our expenses may be higher than anticipated. We do not intend, and undertake no obligation, to update any forward-looking statement.
